

HARBORVIEW MEDICAL CENTER

HARBORVIEW
MEDICAL
CENTER
UW Medicine

Campus Plan

Ninth Avenue between Jefferson and Alder is closed to through traffic because of construction. Pedestrian traffic is still allowed.

Parking Instructions:

Parking for patients and visitors is available in the View Park Garage off Alder Street. The garage is open 24 hours a day, seven days a week. An attendant is on duty 7 a.m. to 8:30 p.m., seven days a week. If the attendants are gone, an envelope will be placed on the car windshield for payment.

Driving Directions:

- Harborview is located on Ninth Avenue between Jefferson Street and Alder Street.
- Take the James Street exit off I-5 (coming from the north, exit #165; coming from the south, exit #164-A).
- Turn up the hill (east) on James Street and go to Ninth Avenue. Traffic may be detoured to accommodate ongoing construction. In this case, please use Boren Avenue as an alternate route.
- You may access the View Park garage by driving west on Jefferson or Alder, both of which intersect with Eighth Avenue. Eighth Avenue allows two-way traffic on the west side of the hospital, in front of the main entrance.

By Bus:

- Metro provides regular bus service to Harborview on several routes, including 3, 4 and 60.

Parking for Patients With Special Needs:

- If you or a family member has a disability that restricts mobility, valet parking is available at the West Entrance. If you prefer to park your car yourself, wheelchair stalls are available in the View Park Garage.
